

ASSOCIATION FOR ENGINEERING EDUCATION OF RUSSIA (AEER)

INTERNATIONAL ACCREDITATION OF EDUCATIONAL PROGRAMS
IN ENGINEERING AND TECHNOLOGY
<http://www.aeer.ru>

1 The only accreditation agency in Russia that is a member of the world's most respected Alliances for the accreditation of engineering education: **ENAE** (European Network for Accreditation of Engineering Education) and **WA** (Washington Accord)

2 The only accreditation agency in Russia that accredits educational programs in the field of engineering and technology with awarding the «European quality label» **EUR-ACE® label** and with the recognition of substantial equivalence by all **WA** signatories

3 The only accreditation agency in Russia with **accreditation results recognized in more than 30 countries of the world**: Australia, Canada, China, Finland, France, Germany, Hong Kong, India, Ireland, Italy, Japan, Kazakhstan, Korea, Malaysia, New Zealand, Pakistan, Peru, Poland, Portugal, Romania, Russia, Singapore, Slovakia, Spain, Sri Lanka, South Africa, Switzerland, Taiwan, Turkey, USA

APPLICANTS, STUDENTS and GRADUATES SHOULD KNOW:

I AM AN APPLICANT!
I know about future opportunities

I AM A GRADUATE OF A PROGRAM ACCREDITED BY AEER!
Now I can:

1 confidence in **the high quality** of the chosen educational **program recognized at the international level**

2 more opportunities for **academic mobility in engineering programs with EUR-ACE® accreditation worldwide**

I AM A STUDENT OF A PROGRAM ACCREDITED BY AEER! I have:

3 more opportunities for **admission to master degree programs with EUR-ACE® accreditation worldwide**

1 start **professional engineering activity in more than 30 countries - EUR-ACE and WA agreement countries**

2 obtain **the status of a certified professional engineer of Europe (EurIng title)** under a simplified procedure without having to take the full examination

3 be certified and be admitted to **the International Register of Professional Engineers** of the Asia-Pacific Economic Cooperation – **APEC Engineer Databank**
